Week29

DASMAN دسمان
BILINGUAL SCHOOL مدرسة ثنائية اللغة

Grade 7 Science
Homework schedule
21st April -25th April 2019

Mrs. Amina / Lynette
Interactive Science – SOUND AND LIGHT

Mission
DBS offers a variety of educational programs to equip our students with 21st century skills, knowledge and values required to become global citizens.

Vision
DBS aims for authentic learning and character development in a safe, positive and nurturing learning environment.

Value Of the month: Initiative and Positivity

Date	Classwork	Homework
Sunday	**Chapter 3 Lesson 1** **Electromagnetic waves** **The nature of electromagnetic waves** At the end of the lesson students will be able Understand the concept of polarized light based on the electromagnetic spectrum	**Discuss x rays and its applications in life** **Research on Britannica**
Monday	**Chapter 3 Lesson 1** **Electromagnetic waves** **The nature of electromagnetic waves** At the end of the lesson students will be able to understand that the photoelectric effect is used to automatically open and close doors.	Study for the quiz tomorrow chapter 3 lesson 1
Tuesday	**Chapter 3 Lesson 1** **15 minutes quiz** At the end of the lesson students will be able to know how electromagnetic waves were discovered and attempt some critical thinking questions about the different types of electromagnetic waves	**Discuss the effect of Ultraviolet light on the skin** Research on Britannica
Wednesday	**Chapter 3 Lesson 1** **Electromagnetic waves** **The nature of electromagnetic waves** At the end of the lesson students will be able to understand that it is ultraviolet rays that make the hole bigger in the ozone layer Class work	**Homework is due today**
Thursday	**Chapter 3 Lesson 1** **Electromagnetic waves** At the end of the lesson students will be able to understand that cigarettes and electronic cigarettes together with the electromagnetic spectrum all contribute to depletion of the ozone layer and air pollution Debate	Enjoy your weekend
Period 6	**Project work:** Students will prepare a scientific report based on what they have learned while preparing for their water awareness campaign	Bring an A4 size colored paper of your choice to write your scientific report

Please, note that

- Laboratory visits follow the school laboratory schedule.
- The homework is subject to change. Please check your child notebook.
- Students are expected to hand in homework / worksheets in DUE DATES to be graded.
- Missing DUE DATES for no excuse has a consequences of GRADE DEDUCTION.
- Occasionally, homework is postponed or modified. Please, review your child's notebook.
- **Kindly note that morning help is provided to students from 7 am – 7:25 am every Sunday, Tuesday and Thursday for science in room 109 – students are welcomed to receive guidance from the available teacher**
- If you have any questions or concerns, please, feel free to mail your child's teacher or schedule a conference with him/her over the following times:

Mrs. Amina:	Ms.: Lynette:
Sunday from 9:50 AM - 10:30 AM	Monday: 11:05AM-11:45 AM
Thursday from 9:10 PM - 9:50 AM	Wednesday: 11:05AM-11:45AM
