

Welcome Back KG2!

Dear parents,

On behalf of the Kg2 Teachers, we would like to welcome our students and parents to the new academic year 2020/2021 at Dasman Bilingual School. We are looking forward to making this new academic year a very successful one for all concerned, as we believe that education is the result of the combined efforts of family and school.

A newsletter will be sent home at the beginning of every month to inform you about the activities we will be doing in the classroom and the curriculum which will be covered during this month. We will also highlight some of our future activities in these newsletters.

Please make sure you have Microsoft Teams download for your child to participate in our online learning and for you to communicate with the homeroom teacher. Note that each class will be divided into two groups: A and B. Each student will have either an A or B schedule. The class schedule will be sent to you by the homeroom teacher once school starts. Sunday through Wednesday are normal lessons while Thursdays, a live chat will be allocated for parents to ask questions. Please follow Mr. Will's Instagram account (mr_will_kg) for updates on KG happenings.

Lunches:

All of us know the relationship between good nutrition and school performance. Please only prepare a healthy lunch (for our 15-minute online break), which should include a sandwich, fruit, juice or milk. **No chocolate, potato chips, candy, gum, or soda drinks should be permitted.**

Again, we extend a very warm welcome to our Kindergarten community. We are looking forward to an exciting year.

All Students in Kg2 need to have the following supplies for the first quarter:
