

Welcome KG

Dear parents,

It's a pleasure to welcome all our wonderful students to the new academic year 2020/2021 at Dasman Bilingual School. I will be your child's Physical Education teacher (PE) and I would like to introduce myself. My name is Ms. Tatsiana, the Kg Division PE teacher at DBS. I have been at DBS for three years and hold a bachelor's degree in Physical Education.

We look forward to getting to know your children and work with them in our online PE class this year. PE classes will be once a week for 35 minutes. I believe with the combined effort of the teachers and families, we will have a successful E-learning process.

Our Goals

The goal of KG Physical Education at DBS is to teach students through games, healthy choices, habits and skills that will last a lifetime. We accomplish this by having students participate in a wide variety of activities and challenges that will increase their physical, social and mental abilities. We hope to provide a safe, fun, and motivating class that will encourage all students to participate and try their best. We will have focused fitness activities, health, nutrition imbedded into our PE classes, as well as integrating core subject areas such as Math, English and Science.

Here are some points that will help make PE as fun and safe as possible this year:

1. Arrange your space at home suitable for exercise
2. Students should wear a uniform (sports clothes and sneakers) during the lesson
3. Please make sure you have Microsoft Teams downloaded for your child to participate in our online learning and for you to communicate with the teacher.
4. Please follow Mr. Will's Instagram account (mr_will_kg) for updates on KG events.

Assessing

Students will be assessed in the areas of skills performance, appropriate behavior, and safety, effort, participation, and uniform.

Again, we extend a very warm welcome to our Kindergarten community. We are looking forward to an exciting year!

If you have any questions or concerns, please feel free to send me an email:
