

# Welcome Back!

**Dear parents,**

On behalf of the Pre-K Teachers, we would like to welcome our students and parents to the new academic year 2020/2021 at Dasman Bilingual School. We are looking forward to making this new academic year a very successful one for all concerned, as we believe that education is the result of the combined efforts of family and school.

A newsletter will be sent home at the beginning of every month to inform you about the activities we will be doing in the classroom and the curriculum which will be covered during this month. We will also highlight some of our future activities in these newsletters.

Please make sure you have Microsoft Teams downloaded for your child to participate in our online learning. For PreK students will have prerecorded lessons as well as online (live) lessons on Thursdays in the allocated time tables. ClassDojo will also be a form of communication; sending photos and projects.

## **Lunches:**

We all know the relationship between good nutrition and school performance. Please only prepare a healthy lunch (for our 15-minute online break), which should include a sandwich, fruit, juice or milk. **No chocolate, potato chips, candy, gum, or soda drinks should be permitted.**

Again, we extend a very warm welcome to our Kindergarten community. We are looking forward to an exciting year.
