

**DASMAN** دسمن  
BILINGUAL SCHOOL مدرسة ثنائية اللغة

September 20, 2018

Dear Parents/Guardians:

The middle school administration and staff members would like to sincerely thank you for being patient with us as we adjusted classes and transferred students over the past three weeks. It is our responsibility as a division to make sure all students are placed in the right environment that will showcase their best social and academic mindset. As we enter week four of the 2018-2019 academic year, all changes have been made and we **will not be honoring any more request for change of class as of Thursday, September 20, 2018.** We want our students and teachers to settle into teaching and learning and to embrace the new environment. We thank you again for working with us and the adjustments and we ask that you continue to support us throughout the school year.

Sincerely,

**Rihab Abdel-Khalek**  
Middle School Principal

**Victoria McNair**  
Middle School Vice Principal

**Samar Dizmen**  
Dasman Bilingual School Superintendent
